- Practical face-to-face assessment
- Same recognised qualification outcome
- Ideal for multi-staff training programmes

Blended Learning First Aid Training

Circle Academy also offers blended learning first aid training in partnership with First Class Aid, combining online theory with practical classroom assessment. This flexible approach reduces time away from work while ensuring learners complete the hands-on practical elements required for compliance. Ideal for businesses looking for cost-effective and efficient first aid training solutions.

Blended Learning First Aid Training

First Aid at Work (FAW) – 3 Day Qualification

- Traditional: 3 classroom days
- Blended: Online learning + 2 practical classroom days

First Aid at Work Requalification

- Traditional: 2 classroom days
- Blended: Online learning + 1 practical classroom day

Paediatric First Aid

- Traditional: 2 classroom days
- Blended: Online learning + 1 practical classroom day
